Garden Party Success

Our 2nd Garden Party was a great success. Our entry fee was an item of non-perishable food and we collected 17 trays of food along with a grand total of £1,275.00. Our volunteers worked very hard and ages ranged from 10 to 70+. We had a great range of stalls, and a full programme of entertainment. The sun shone for us and our faces ached from smiling. Many thanks for the wonderful raffle prizes donated, all the volunteers and everyone who came and made it a day to remember. Special thanks to Lorraine who worked endlessly for months before the event arranging raffle prizes, entertainment and volunteers.

Website

A generous donor helped build and pay for our new website which we are extremely pleased with. Please have a look paigntoncommunitylarder.org.uk
